

LIGHT TO THE NATIONS

"You are the light of the world. A town built on a hill cannot be hidden... In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven." - Matthew 5:14-16

This month we witnessed four beautiful baptisms and one filled with the Holy Ghost, each one a testimony of God's power and freedom!

One precious lady had been unable to enter water for five years because of a curse from family—but believing Jesus had healed her, she stepped in with courage and was baptized, breaking it completely!

Another young man was so convicted he actually ran and jumped into the ocean, thinking he needed to baptize himself! After some joyful laughter, he was brought back up and baptized properly in the Name of the Lord Jesus Christ.

A team of six of us traveled to Bourail (north of the island) for a planned house service with a family of three. On Sunday morning, three young people happened to pass by and were invited to stay for church. The Spirit moved powerfully, touching every sincere heart.

“Don’t let anyone look down on you because you are young, but set an example for the believers in speech, in conduct, in love, in faith and in purity.” - 1 Timothy 4:12

YOUTH RETREAT

We spent a short but impactful weekend in Yaté, far south of the island, with 30 youth and team members for a camping retreat.

From Friday afternoon to Saturday afternoon, the focus was on teaching, activities, and undistracted fellowship—no phones allowed!

It was a time to connect deeply with the next generation, sharing, encouraging, and training them to become the leaders God has called them to be.

Hearts were touched, friendships strengthened, and faith was stirred as we invested in these young people.

THE MISSION FIELD ON THE FIELD

Gérard's Testimony - Goals with a Purpose.

I completed high school in 2024. During those four years, God shaped me and revealed His purpose for my life. The Word that calls us to honor our parents gave me the determination to persevere in my studies. My success became an offering of obedience, a way of honoring those God placed over me.

But it was on the soccer field that God began to speak more clearly about my calling. He gave me a vision that has become the driving force behind my perseverance: using sport as a platform to reveal Christ. On the field, in training sessions, and in conversations with students, God has given me unexpected opportunities to share His love. The field has become more than a place to play—it has become a mission field.

At the beginning of 2025, Gerard began coaching a younger soccer team at a school, where five students have been baptized in Jesus' Name !

We ask that you would keep Gérard in your prayers, as he recently traveled to France for trials to enter a French soccer club. A wonderful opportunity for him. While we are saddened to see him go, we know God will continue to use him to impact the lives of everyone he meets.

We can't wait to see how God will continue to work in every area of Gérard's life, including the soccer field, as he keeps **kicking for the Kingdom.**
