

ALICIA & BAPTISTE IN PARIS

November 2025

OUR TIME IN CANADA

Most of November was spent back in Canada. While we were home, we were once again humbled by the incredible legacy of missionaries who have come from this small region of New Brunswick. This corner of the world has impacted nations because people here have believed in missions, prayed for missions, and sacrificially given to missions with their whole hearts. That is a major reason we have been able to continue to do the work God has called us to do in Paris!

During this trip, we had privilege of attending Capital Community Church's Missions Weekend with our Regional Director, Nathan Harrod. It was a powerful weekend and a delight to celebrate what God is doing in Europe and around the world. Words will always fall short of expressing how deeply blessed we are for the love and support of CCC. It reminded us that we are not alone, rather there is a wonderful church family standing with us.

To every church that welcomed us, to every person who gave sacrificially, to every voice that prays, encourages, and cheers us on.. **THANK YOU!** Truly. We carry your love and support with us every day. We pray the richest blessings of the Lord over each of you, and we thank God for the honor of partnering together in His mission.

TEAM PARIS

At Paris Centre Church, we are blessed with an incredible team of leaders. While we were away, the church carried on without a single hiccup. The Tolson family graciously stepped in to cover PCC17.

During that time, Whitney Bateman began teaching a home Bible study to PCC17's very first guest, Lina. When we returned to Paris, we had the incredible joy of witnessing her baptism. Her family even traveled from Egypt to be here, and we spent a beautiful evening together sharing stories of God's goodness and celebrating what He is doing in her life.
