## Pre-Christmas & Christmas Services

For Christians in Bangladesh, the entire month of December is a time of celebration of the birth of Christ. Here, having a "Pre-Christmas" service is just as important as a Christmas service. I was glad to be able to take part in several Pre-Christmas and Christmas services in many of our newer church works in the Dhaka district.

## Thankful for God's Faithfulness

At the end of November and into December, I got very sick and had to stay in the hospital for 8 days due to Dengue Fever. Not long after, I got a cold as well. Nevertheless, I am thankful for God's faithfulness in keeping me through it all. What could have been much worse turned into much less because He is a prayer-answering God.

I am eternally grateful for everyone's prayers and for those who gave financially to help cover portions of my hospital stay. Though December has been a whirlwind of sickness and then jumping right into several Christmas services, I praise God for being able to be here during this time.

## Short Highlights

- Several groups we have been doing weekly Bible studies with in the Dhaka district are now becoming new church plants.
- I had the privilege of preaching two of the Christmas services.
- Our weekly Bangladesh Youth Ministry zoom sessions continue to grow in attendance.

## Prayer Requests

- For national pastors to be sent who can lead these new churches to growth and maturity.
- Continued recovery for my health.
- Safe travels for everyone during the holidays.

We are thankful for all the hard work each of our national pastors have done throughout the year and we look forward to what God has in store for 2026!
