

MOLDOVA

**“Tu ești izbăvitorul, atotputernic
Tu ești lumina în întuneric, Doamne tu ești Dumnezeu”
Waymaker in Romanian**

November was a time of really getting involved in the team projects and community outreach initiatives! Behind the scenes, I get to work on administration tasks, preparing music, and prepping English lessons. When I'm out in the city, I am hanging flyers at universities, attending/teaching English Club, and attending Bible studies.

Key Events: a team trip to Orhei and sharing traditional Thanksgiving food with English Club members!
