

## Record attendance!

We're thrilled to share that we had a record attendance of 27 people on Sunday December 21st, most of them Tahitian.

The French Polynesians came together, sang, worshipped God, prayed, and shared food in a beautiful time of fellowship. Even more encouraging - they're coming back next week as a group!

We're so thankful for what the Lord is doing and for the growing desire of Tahitians to worship and share the Word of God!

Please keep praying for us as God continues to bring people together and build His church.

## Did You Know...

In French Polynesia, small restaurants often expect you to bring your own bowl - otherwise, you pay for a container!

## The Work

### New Bible studies

We're excited to share that the Lord Jesus gave us open door to start 3 new Bible Studies with Tahitians! It's been encouraging to see new people coming in!

### Water baptism

A joyful moment for our church - our first water baptism! This baptism is the result of our weekly Bible Studies, and one of the first people that came since we arrived in Tahiti.

### Healing

An elder Tahitian lady visited our church for the very first time, and unbeknown to us, she was in a lot of pain from a broken rib. During the altar call, as the Holy Spirit was moving, Sis. Joann prayed for her - and Jesus healed her immediately. The following week she returned to church and brought her auntie with her. We're so grateful to see faith growing and families being reached.
