## GREETINGS IN THE WONDERFUL NAME OF JESUS!

The month of December has been full of God ordained moments! We continued to have services in Nantes every other week. But God also opened a door to have a service in the city of Angers on December 14th. Angers is another key city in the region of Pays de la Loire which is in great need of revival. God placed a family in our path back in June. They are neighbors of ours whose permanent residence is in Angers. God used a hedgehog who was stuck in a fence to connect us to them. The wife is very hungry for God. When we met them in Angers last month, she mentioned that if we were to have a service in Angers, they would come. God gave us favor with the city, and we were able to rent a place to have service. That same Sunday morning, their granddaughter was born, but they still came to church! We give God praise for this open door in the city of Angers. We truly believe that God has a people in this city also!

A VISIT AND TIME OF PRAYER WITH ALEX

## NEWS FROM WESTERN FRANCE continued...

Two weeks prior to our service in Angers, we decided to visit a city called Pornic. It is a beautiful city that has a port. As we were walking by the water that evening, we prayed for God to lead us to one hungry soul. It was already dark out, but we handed out a tract about the Bible (with our phone number on the back of it) to a couple. We were able to share the Gospel with them for a few minutes. They stayed in our hearts after that encounter, but we did not have their contact information. Two weeks later as we were getting ready for our service in Angers, they began texting us. We now had their contact information! So we decided to invite them for coffee the following week, and we were able to spend about 3 hours with them talking about the Word of God and building a friendship. Please keep Jacky and Sigrid in prayer for salvation. Continue also to hold up Alex, Eleonore and David, and Philippe in prayer as well. Pray also for Manolo, a young Catholic, who is very hungry for God. Pray that God would give him a revelation of the oneness of God, and the necessity to be baptized in Jesus' name.

God has been so good in leading us to hungry people. We are trusting Him to do a great work of salvation in all the people He has lead us to.

**We love and appreciate you!**
