January Newsletter 2026

Dear Friends and Partners in Missions,

Greetings in the precious name of Jesus! As we step into a brand-new year, our hearts are full of gratitude and expectation. January finds us reflecting on God's faithfulness throughout the month of December and rejoicing in all that He has done as we continue walking by faith on this mission journey.

While we remain in the United States raising funds and ministering in churches until our return to Brazil in July, the Lord has opened many wonderful doors. We began the month in California, where we were blessed to minister at Apostolic Worship Center in Salida. The presence of God was powerful, and we were encouraged by the warmth and faith of the church family. From there, we traveled to Los Angeles and had the privilege of ministering at Harvest Tabernacle Church. Once again, we were reminded that when we step out in faith, God always meets us right where we are.

Next, the Lord led us across the country to Florida, where we ministered in two services at Lakeland UPC Church. The generosity, kindness, and overwhelming support shown by the church were truly a blessing to our family and our mission to Brazil. We left strengthened and thankful for the body of Christ that stands with us.

The following days were especially meaningful as we attended the Florida District Holiday Youth Convention. We were honored to host a Brazil Missions Table and share the burden and vision for what God is doing—and will continue to do—in Brazil. One of the greatest joys for us was seeing our children deeply touched by the presence of the Lord and encouraged through fellowship with other young people who are pursuing God wholeheartedly.

We concluded the year by welcoming the New Year at First Apostolic Church in DeFuniak Springs, Florida. What a powerful way to step into 2026—worshiping, praying, and believing together for great things ahead. We are confident that as we walk by faith and not by sight, God will continue to do exceeding, abundantly above all we can ask or think.

Thank you for your prayers, encouragement, and faithful support. We could not do this without you. Please continue to pray for us as God leads and directs our steps in the months ahead. We are currently scheduling services and are available to come and share our burden for Brazil and adding souls to the Kingdom of God wherever the Lord opens the door. God is working within all of us, both to will and to do of His good pleasure!

With great expectation and gratitude,
Your missionaries to Brazil
