

CELEBRATING THE HOLIDAYS IN MOLDOVA

AIM News for December 2025

December was a month of celebrating!

For the Christmas season, we hosted a gingerbread decorating night, a worship and games night at a cafe, and had a team Christmas dinner.

We rang in the New Year watching fireworks!

Along with worship and Bible studies with English Club students, we experienced an art museum and Chisinau's Christmas market with a few university students.

What's Next?

As my season in Moldova came to an end in early January... I have moved back to Athens, Greece to continuing serving!
