I will build my church; and the gates of hell shall not prevail against it.

This month, we had the opportunity to go to many different places across Benin - from sightseeing with Bro. Kennon to a weekend of ministering in Savalou. Going from place to place, it was easy to see the strongholds and difficulties. There is opposition against the church and its people. However, during services, seeing the hunger and those receiving the holy ghost for the first time... we cant help but remember that we have a promise.

Jesus is the victor !

Church Dedication

We were blessed to have Pastor Anothony Kennon here at the beginning of this month. He came to dedicate the church that his father, Rev. David Kennon, donated money to build. During the service, 1 received the Holy Ghost!

Ladies' Meeting

Renee had the opportunity to speak at the monthly ladies' meeting. This month the meeting was in Savalou, about 4 hours away from where all the missionaries live. Her title was "God will fight for you", focusing on the Red Sea and God providing deliverance when it looks impossible.

Sunday in Savalou

We all stayed in Savalou over the weekend and that Sunday we had a great move of God! Bro. Michael Benson taught the Sunday School session and Bro. Bradley Gray preached the main service. 3 received the Holy Ghost that day in service!
