## All About Sunday School!

We completed Sunday School Teacher Training in January and I am so thankful for Joshua, Queen, Bonheur and Witness! They have dedicated themselves to daily prayer, Bible Study, fasting and growing in their understanding of the Word of God to better lead the children. They are filled with passion about their new ministry and what God is going to do in the Children's Ministry in 2026! (Pictured Below Middle) Queen taught her first Sunday School lesson! She is loved deeply and respected by the children and did such an incredible job! She incorporated some of the new teaching techniques we discussed in our Tuesday evening sessions. The children hung on every word! It has been a blessing to watch her growth these last few months! God has a special anointing on her and she has truly become family! (Below Right) Joshua and Witness were playing a game to learn the books of the Bible. I have challenged them to learn all 66 books, and I will learn them in Kinyarwanda. We are going to incorporate this into our classes soon. So everyone can play and easily have the ability of finding a Bible verse for our lessons.

Please pray for them in this new year and this new adventure as they are stepping out in faith!
