

THE BUTLER FAMILY

It's a NEW year!

We rang the New year hearing Serbians celebrate with their families and their children and we opened our window and we all celebrated together. Jonathan and I prayed and spoke out in faith what 2026 will hold. Its a new year and a new day and God makes all things new! We have needs and dreams and visions that have not come to pass YET, but we link hands and walk forward to the unknown knowing that the King of Kings orders our steps! We walk into this year with hope. Our time here in Serbia has come to an end. On the 5th of February we head back to the border in Bulgaria and we are asking you all to pray for us. We will then spend our next 3 months in Bulgaria and get ready to head back to America in May.

For now, our plan is to return to the USA at the beginning of May to fundraise for our next term and to work on visa documents. If you are a pastor and would like for us to be in service with your church please feel free to contact your District Global Missions Director and also us at **(334)-939-6119** or at the email below.
