January highlight

January has launched us into 2026 with undeniable momentum. As Pastor Calhoun cast the vision for this year "Extreme Reach" we didn't just hear it, we stepped into it. Every Sunday in January, we have seen baptisms happening, throughout the week Bible studies are being taught, and across our nation there is a growing hunger for revival. God is moving, and it has been an incredible privilege to play even a small part in what He is doing alongside an amazing team that are called, equipped, and committed to discipling lives for His glory.

I want to take a moment to sincerely thank every one of my supporters. Your prayers, generosity, and faithfulness are what make it possible for me to serve here in the Netherlands. Because of you, I am able to be on the ground, building relationships, discipling lives, and taking part in what God is doing through Extreme Reach.

I truly cannot express how grateful I am for your continued support. None of this would be possible without you, and I count it a privilege to represent you as we labor together for the Kingdom. Thank you for believing in the call, standing with me, and allowing me to be a part of this incredible work.

Prayer Request

- Please pray that my visa process will be completed smoothly and approved without delay.
- Pray for wisdom, direction, and fruitfulness as we launch City Groups in Rotterdam.
- Keep the Calhoun's in prayer as they prepare for deputation.
- Pray for Freedom Church as we continue the search for a new building, believing God will lead us to the right place at the right time.
- Pray for the people I've been connecting with, that God would use me to help lead them closer to Him and ultimately into His kingdom.
- Pray for the country of the Netherlands as we step into the vision of Extreme Reach, that hearts would be open, hunger would increase, and God would lead us to those who are ready and searching for truth.

If you feel led to be a part of what God is doing through this mission or if you know someone who may want to partner with me in prayer and support, I would be honored to have you join the journey. Your partnership helps make Extreme Reach possible here in the Netherlands.

Thank you for believing, praying, and standing with me as we reach souls and build God's kingdom together.

Baptized in Jesus Name

One of the most powerful moments this month was witnessing a young lady respond immediately to God's call. When she expressed her desire to be baptized, the pastor said, "We can do it today," and without hesitation, she said yes. After service, we drove nearly 50 minutes to Dordrecht, and during the drive I had the privilege of walking her through a Bible study on baptism, by the time we arrived, her heart was ready, and she was baptized in Jesus' name.

Ministry Highlights

It has been a true privilege to work alongside Bro. Joshua Alberto in launching and setting the vision for 2026 within our Home and Global Missions Department. We are believing God is going to do something special in this department!

We began the year by leading 21 Days of Prayer and Fasting, marked by powerful prayer nights where God moved in undeniable ways. We were also blessed to have former AIMer to the Netherlands, Justyne Garcia, minister at Freedom Church. God's presence was powerful, and many lives were touched through her ministry.

I truly believe God is preparing something special. I've been connecting more with Spanish-speaking individuals, and also other people in this country, believing by faith that these connections will one day lead them into the church.

This month has been especially exciting as I've been able to dive deep into research and planning to help launch City Groups in Dordrecht and Rotterdam. I've had the privilege of working closely with Assistant Pastor Randy Pakaila and Pastor Rotimi Alaran, and I am also incredibly thankful to Bro. Javier Lopez from The Tabernacle of Sanger, who has poured wisdom and guidance into me on building, growing, and sustaining city/small groups.

I had the honor of assisting Pastor Calhoun with his deputation video as he and his wife prepare to depart for deputation. It has been inspiring to support the vision and see what God is setting in motion for the future.
