February Newsletter 2026

Greetings in Jesus' Name,

As we stepped into the new year, the Lord was faithful to open doors for ministry, fellowship, and connection across the country. January was full of travel, powerful services, and meaningful relationships, and we are grateful for all that God is doing.

We began the year ministering in Middleburg, Florida, at Connect Church with Pastor Guerra. We had a wonderful time of fellowship with the church family and experienced powerful services where God moved mightily. It was a refreshing and encouraging way to start the year.

Later in the month, we drove from Northern California to Alexandria, Louisiana, to attend the *Because of the Times* Conference. The journey included three days of driving to get there and three days driving back home. While our return trip took us through some stormy weather, the Lord protected us, and we made it home safely. The conference itself was a tremendous blessing, providing encouragement, direction, and renewed vision for ministry.

On our way to *Because of the Times*, we were also blessed with the opportunity to stop in Gilbert, Arizona, and visit Life Church, pastored by my former Bible School professor, Pastor Terry Baughman. They showed us incredible hospitality and hosted us for one night during our journey. It was truly a blessing to reconnect after so many years, see what God is doing through their church, and witness the many ways the Lord has blessed their ministry.

After returning from Louisiana, we attended the Landmark Conference at Christian Life Center in Stockton, California. We were grateful for the opportunity to have a missionary booth, allowing us to connect with the Body of Christ, share the vision of missions, and build relationships. One highlight was reconnecting with pastor friends from India and hearing about what God is doing in their part of the world. Our two children were also excited about the opportunity to sing in the Landmark Choir every night of the conference.

We are thankful for every church, pastor, and friend who continues to support us through prayer and encouragement. Your partnership makes it possible for us to continue answering the call God has placed on our lives.

Thank you for standing with us as we move forward in faith and obedience.

With gratitude and love,

THE GAYLES
