JANUARY 2026

Greetings from the Uttermost,

I've reached the halfway point of this trip, and it's hard to believe how quickly time has passed. I'm incredibly thankful for all that the Lord has done during the first half, and I'm eagerly anticipating even greater things in the remainder of my time here and beyond.

At ALC, we began the year with a wonderful service and 8 visitors. We had an exciting youth event where we met at the park for a picnic and devotional focused on growing in studying and memorizing the Word. After our time at the park, we walked to the nearby bowling alley to play a game. There were no professionals on our team. In fact, one professional could have outbowled our entire team. We had a great time though and I'm thankful to see our young people growing in their walk with the Lord. We concluded the month with a special ladies day themed Made Well For His Glory.

With the MKs on Summer holiday, I devoted more time to working on the Bible School courses. Developing lesson plans and uploading them, creating quiz questions, and then merging, exporting, and uploading videos for a pre-recorded elective.

We've spent time planning out all of the events for the month of February. It will once again be a busy month, but I'm excited to be a part of the Lord's plans in Tauranga. Please join us in prayer for ALC's annual revival February 20th-22nd.
