

# PIO'S IN THE PACIFIC

January 2026

Associate Missionaries (AMP)

Praise the Lord for all His many blessings and what He continues to do in our lives. We would like to thank you for all your prayers and continued support. The Lord has allowed us to return to the field in January. We got back from French Polynesia in August, visited with family, officiated in the marriage of our oldest son and began to deputize. In December we made our way back to Belleville, Ontario where all our children and their families live, and enjoyed the time we had together over Christmas and the New Year.

The New Year has brought to us, a new direction as we were asked by our new Regional Director, Rev Troy Wickett, if we would be willing to go to Fiji and help in the Bible School. After we had prayed, we felt led to go and we departed Canada and arrived in Fiji on Monday, the 26<sup>th</sup>. After some hectic travel with almost no time between flights we made it, but our luggage arrived several days later, to which we thank the Lord for.

We started out teaching on Tuesday with our first Bible School course, and again on Thursdays. We look forward to what the Lord is going to accomplish this coming year with the students. There are also many who have come from the Solomon Islands to study also. It is an honor to be able to teach and train them in the Word of God.

Continue to pray for us and the Nation of Fiji, but also French Polynesia as the church there continues to grow.

May the Lord blessings be upon you and we love and appreciate you all.
