WINTER 2025

### UPDATE FROM THE USA

Over the past five months, your prayers, generosity, and hospitality have sent us across the country — connecting with churches and building partnerships that make global missions possible. We were honored to join VDYM at the Virginia Fall Youth Convention and minister at Faith Tabernacle Church's missions conference in Tucson.

In January and February alone, our deputation carried us through ≈5,900 miles across 8 states and 31 ministry opportunities in just two months.

The harvest is real. The need is urgent. And with your continued partnership, we keep going.

You believe the gospel should reach every corner of the world — and because of that belief, lives are being changed. Thank you for making this mission move forward.

## UPDATE — AND INVITATION TO JOIN US

You have already played such a meaningful role in this journey — and we are deeply grateful.

We're grateful for every prayer, gift, and word of encouragement received during our travels. But we want to be transparent: we still have ~\$25,000 remaining to raise (about a third of our budget) and we're looking for 30 new Partners-in-Mission (PIMs) committed to monthly support:

- 10 partners at \$25/month
- 10 partners at \$50/month
- 10 partners at \$100/month

In the coming months, we'll both also be seeking employment for basic needs and while remaining available to travel for ministry — including Evangelism, Missions Services, Youth Ministry, Leadership Training, and more.

We trust God to provide every need, and we believe the right partners are out there. If that's you, we'd love to connect.

Feeling led to partner with us? See the link below. Interested in hosting us for ministry? Reach out — we'd love to talk.
