

In Paris as it is in Heaven

It has been an exciting few months here in Paris!
The biggest news is this:
We have a new building!

God has opened the door for us to rent an incredible space in the 12th arrondissement of Paris. This has been a true miracle, and the result of many years of prayer, sacrifice, & searching for properties in a city where real estate is a challenge.

The new building can hold 350 people, & has many other rooms we can rent for various meetings. It's in a central, well connected area. We also rejoice in finally having a room for our kids to have Sunday school in. God is so good!

First service at PCC12!

Our first service in the new building was incredible. 180 people were in attendance, and there was so much joy in the house. Most excitingly, we were able to have our **very first baptism in our church building!** Due to rental restrictions, all of our past baptisms have always been conducted in apartments. Getting to celebrate a baptism with our church family was an answer to prayer.

The landlord from our previous building expressed to us just how much our church had impacted her and the neighborhood surrounding her building in the years we were there. Ever since our move, she has traveled to come to service in our new location each week!

PCC 17

Our 2nd campus in the 17th arrondissement of Paris is growing!

Since launching a few months ago, we have had at least 15 guests, several of whom are attending consistently.

Baptiste & Alicia Ricard are doing a great job leading this work. With PCC 17, our vision of a church campus in every arrondissement of Paris is off to an amazing start.

I Love My Church Weekend

We had an amazing I Love My Church weekend at Paris Centre Church. On Saturday, we had an impactful time of training on spiritual giftings, leadership, and working on an effective team. A diverse group from our church was in attendance, from department leaders to some of our newest members.

I LOVE MY CHURCH // J'AIME MON ÉGLISE

On Sunday, Bro. Michael Ensey & his family ministered to our church, and several of our members gave testimonies about how Paris Centre Church had impacted their lives. The Lord moved, & many lives were touched! We are so thankful for their ministry and for all that God did!

Purpose Institute

We are now in our 3rd semester of Purpose Institute in Paris. We have an amazing group of students who are growing in their ministries and being used by God in this city. We are thankful for all God is doing through this time of training!

I will be traveling back to the US this summer, where I will be fundraising for my upcoming terms here in Paris.

If you'd like to connect while I am in the states, or would like to contribute to the work here, please contact me via the details below.

I am so thankful for every partner and every prayer that helps to make the work of God go forward in France.

May God bless you abundantly!

MERCI!
