MICAH & RENEE BENSON - AIM

Pastors and Wives Conference

We were so blessed to have Pastor Russel Drake and his wife Tessa with us for the Pastors and Wives Conference this month. The theme was Acts 2:42 “And they continued stedfastly in the apostles’ doctrine”. Great teaching was given every single day and the leaders of Benin left strengthened and encouraged.

Baptisms in a Kiddy Pool

You never know what God will use! We had purchased a kiddy pool for Missionaries Thad and EmmaLee Bensons girls to play in one day when we were babysitting. Now, that same pool has been used for 10 individuals to be baptized in. God is doing great things in Benin!

Teaching on Baptism

Micah had the opportunity to teach on baptism in Jesus name at a church that is wanting to come into fellowship with the UPCI. This church is very hungry and wants Micah to come and teach more often. Later that day, 3 were baptized in Jesus name!
