

Transitions

February 2026

What a privilege it is to have pieces of my heart left in multiple countries and with a multitude of people! God has been so good to me this last term! I cannot begin to express my thankfulness to the Sportsman Family, fellow AMPer Venita Thurman and the leadership in Rwanda for allowing me to serve the beautiful people of Rwanda alongside them. I am transitioning back to the US at the beginning of March to raise more support, with hopes to return to Rwanda as quickly as the Lord allows.

Praise Reports

- Witness teaches her first lesson!
- Safe arrival in US

Prayer Requests

- Outpouring of the Holy Ghost in Sunday School
- Transition back to the US
- Growth in Partners in Missions (PIMS) to return to Rwanda

Fruit and Growth

February has been such an encouraging month to me with the UPC Rwanda Sunday School! (Above) Our class is growing in the Word of God, and our teachers are stepping out of their comfort zones and serving the children with a spirit of excellence. Seeing each of them operate in their calling has been such a blessing! Witness (right) has taught her first lesson! We give God abundant praise for her courage and the anointing on her life. When I first met Witness in January 2025, she seemed so quiet and timid. I was able to get to know her in our Saturday morning English lessons and “witness” her blooming into the incredible young lady God has called her to be. She is faithful. She is filled with love for those around her and she has a heart for worship! My last Sunday in Rwanda, she taught on Adam and Eve being formed by God in the Garden of Eden. As an activity at the end of class, she had the students walk outside and find things that God had created (previous lesson) and spoke about the dust and sand of the ground, how God formed Adam. The children were full of smiles and loved the time outside exploring and recognizing God’s hand in creation.
