

THE BUTLER FAMILY

LOOK ON THE FIELDS

“Say not ye, There are yet four months, and then cometh harvest? Behold, I say unto you, Lift up your eyes, and look on the fields; for they are white already to harvest.” (John 4:35)

We arrived back in Sofia, Bulgaria on February 5th. Our first week back Jonathan was introduced to Iliya Savov (the man standing next to Jonathan in photo above with the brown coat). Iliya received the Holy Ghost and was baptized in Jesus Name 40 years ago when Bishop David Bernard traveled through Bulgaria. He pastored an underground church in Bulgaria in the late 1980s until he moved to London to pursue a Bachelors degree in Theology and a Doctorate in Psychology. 4 months ago he returned to Bulgaria because God spoke to him in his time of prayer, calling him to help preach the Gospel in his home country.

Iliya and Jonathan have met with two groups in February, both hungry to hear the full counsel of God. The group in the photo to the left is a core group that we meet with every Sunday morning. Jonathan has had the opportunity to teach Apostolic doctrine with this group, and the men and women have responded with open ears and open hearts. In the coming weeks we will be meeting for mid week prayer and Bible studies.

There are many people who are hungry for the Truth in Bulgaria. The people that we are connected with all have many questions, they battle mental fatigue because of years of communism and corruption, but they gather on Sunday morning because they know that there is a God who cares for their needs and concerns. Please help us pray that God would give us the words to speak, His eyes to see the way He sees, and that He would direct our steps. Also, please help us pray that we can become fluent in the Bulgarian language so that we can communicate God's word with no cultural barriers.

The first week of May we will be traveling back to the USA. If you are a pastor and would be interested in having us, we would be honored for the opportunity to share our burden with your church. We are sincerely grateful for any connections.
