A TESTAMENT TO OVERCOMERS <<<

I have had the privilege to travel all across Belize. Many Pastors have opened their doors to me. Allowing me to spread the Word of God through humility and beside me Gods Spirit. Without God what I say is just words but with God. ALL THINGS ARE POSSIBLE! So thank you Belize for being so welcoming to me! I have felt the Love!

Belize is such a beautiful country. The mountains on HummingBird Highway are breathtaking and the beaches give a man such relaxation. But more the beauty of the Earth. Is the beauty of humanity. I see determination and kindness in the people of Belize. No Matter happens it almost seems they are invincible. I honor this countries enduranc, but more importantly acknowledging they show the True Love of God!
