GREETINGS!

Greetings in the name of Jesus Christ! I feel very privileged and honored to be able to share this year with you through these newsletters. Before I continue, I would like to thank you so much for your prayers and support. Every prayer and every cent that is given means more than I could ever express.

Your prayers are felt in every prayer walk, every moment of teaching and preaching. Every time I minister I feel the strength of the body of Christ and each opportunity to minister in other cities is because of your giving. Thank you for all that you do!

LPBCN - The Gracia Project

The images to the right showcase the ongoing progress of the building, which is on course to become a fully operational church. Previously, locals were baptized in the Catholic tradition under the Trinity; however, they will now be baptized in the name of Jesus Christ for the remission of their sins in the baptistry that is currently nearing its completion!

Much work has been completed as the Lord has continued to provide for Los Pentecostales de Barcelona but there is still much more to be do!

WORKING WITH THE LORD!

During this month I felt led of the Lord to assist LPBCN in 2 projects which were;

- 1). Assisting in creating a social media team.
- 2). Assisting in translating and creating a curriculum directed towards leaders with the lessons RKR has been blessed with.

Along with those projects I was also blessed to be able to assist in a prayer walk in the city of Cordoba de Llobregat where at the end of the prayer walk a man wanted by both the law and the people appeared at the church stating, "I am here to turn myself in to God". It was a miracle!

Along with these activities I was also privileged to preach in the city of Sant Adria de Besos, translate for my supervisor at LPBCN, taught an online bible study for the church in the country of Andorra, and taught a discipleship class on the Holy Spirit at LPBCN.
