REACHING
ESTONIA

February 2026

Roses are red, February is neat... loving Estonia makes it complete.

Our fellow readers, new friends, and family, it is that time again and with the shorter month that means the Reaching Estonia Newsletter is here sooner. These are the latest updates.

February 1st, we started off strong by having communion in our Tallinn and Tartu church services. It was a wonderful time of remembrance of Christ's sacrifice.

February 9th, our Estonian classes started up. It is always exciting to start connecting what we have learned in the classroom to our daily lives.

Abigail taught in the Sunday School classroom this month about God calling Moses through a burning bush and enabling Moses to lead the Israelites out of Egypt.

We were in Tallinn for every Sunday service this month, as well as, being with our church members in Tartu on Sundays. This is a 5 hour travel day altogether. Our hearts are thankful for the strength God has given us to do these trips each week.

February 15th, the Tallinn church celebrated Friend's Day and we had 29 people in attendance! It was a blessed time and gave us hope for Estonia.

February 21st, we had our Tartu Youth Group. From this group, one of the boys has started coming to our Tartu church and translating into Estonian for us on the weeks the Tallinn church is not with us.

February 23rd, marked us being in Estonia for 300 days. It is amazing to see the seeds that have been planted and we believe that if we keep watering them there will be great revival.

February 24th, Estonia celebrated its main Independence Day. We are so thankful for how God has blessed this country.

Finally, it's so cold in Tartu that the Emajõgi (Mother River) running through the city has completely frozen over and is walkable! This is very rare here, so we had to take advantage of this moment. Not many people can say they've walked on water.

Thank you so much for reading our February newsletter! This month was filled with great milestones and celebrations as we keep moving the Gospel forward in Estonia.
