MARCHING INTO BRIGHTER DAYS

Welcome back! We hope all of you are enjoying warmer weather. To our readers, let's spring forward into our March Newsletter.

March 8th was International Women's Day and we celebrated in our Tartu church service. It is tradition to give tulips to special women in your life on this day, so we honored the women of the church with flowers. We loved seeing the smile on their faces and we were happy to remind them that they are appreciated.

In Sunday School this month, Abigail taught on how God kept His covenant with Moses. It is a wide age group and we are absolutely grateful to be part of their spiritual walk with the Lord.

This month we were at three out of the five Sunday services in Tallinn in addition to our Tartu services. Each work holds a significant place in our hearts and we are thankful for what God is doing in these cities.

March 16th, was a personal celebration for us; We celebrated two years of marriage! As a young married couple, we have learned so much together on this journey. Our love for each other, the Lord, and ministry grows each day.

There are certain works that we have stayed faithful and consistent with and they are producing good results. These are our latest updates:

- Our Bible Study on Tuesdays with our Tartu church members continue to be blessed time of reading the Word of God and fellowship. We finished the book of Romans this month and have started John.
- The Tartu Youth Group had a fun night this month by going bouldering. It was a fantastic time of fellowship.
- Our Estonian class still challenges us in the best ways in order to speak and read the language to the best of our abilities.
- Everyday in Tartu, we work to share the good news of Jesus in uncommon places. We have over 20 contacts that we talk to on a regular basis. Pray that God would soften and open their hearts.

Finally, we are excited to share that at the end of this month, we had a man in our Tallinn church be **baptized in Jesus name!** All the glory belongs to the Lord. We hope you are experiencing revival in your own lives and in your own communities, as well.
