

Greetings from Tauranga!

Another month has passed! I am learning the instability of internet access here, so I am a little late with news. However, the Lord continues to bless, and I am thankful to be here. I captured a beautiful sunset through the trees. I continue to be amazed at the beauty in New Zealand and the wonderful people.

The ALC church here is on the move with many wonderful happenings! The most memorable week was the revival services with Rev. Josh Resar, 3 were filled with the Holy Ghost and many were renewed in the spirit. I continue to see new visitors almost every week. Praise God! The Apostolic Bible College of New Zealand has a record student enrollment of 60 this year with some ALC members attending! What a blessing to the church! I am so pleased to have had the opportunity to prepare the course on Spiritual Preparation which I finished, and Sister Wheat of MN reviewed. Bless her for her service! I have another course to write and a few more to review and plan to continue with this after returning to the states. I am learning so much! The church also continues to be involved in the live online prayer and devotion on the National Prayer Ministry UPCI-NZ Facebook—I have another date to do this coming up! The church elected an assistant pastor, Rev Jhun Estandian who will oversee the church when Rev Borders returns to the states for deputation (see pictures).

I am doing some sightseeing and had the opportunity to visit the Redwood Forest with the Rev & Sis Borders family and Rev Resar. The waterfalls here are amazing!

Thank you all for your prayers! Returning soon!
Sis Kathy Ohman

Prayer Requests

- ✚ **Spiritual strengthening of church family in NZ and in the US**
- ✚ **More people in NZ and US to hear the gospel and be spirit-filled**
- ✚ **Spiritual growth for ABI students**
- ✚ **Resolve my internet issues!**
