

PIO'S IN THE PACIFIC

February 2026

Associate Missionaries (AMP)

Praise the Lord!

God continues to bless the work here in Fiji. We were blessed to minister on Sunday mornings at neighboring churches. It is wonderful to see the Lord working amongst the people here. It is awesome and exciting to observe many baptisms that have happened throughout the month. The Bible School has an outdoor baptism tank and many times you can observe other churches coming and baptising people in Jesus' name!

We continue to teach in the Bible School and enjoy doing so. There are 25 students and about 20 nighttime students. There are 7 students who have come from the Solomon Islands. Many will remain here for the two years as it costs too much to travel back there. They have left their families and churches to learn more about the Word of God. Please remember them in your prayers.

We continue to meet many other Filipinos and are enjoying getting to know them. Praying that the Lord will continue to open doors and opportunities.

Sis. Pio is enjoying preparing Filipino foods and sharing with the students these new foods for them.

Continue to pray for us and the Nation of Fiji, and the rest of the Pacific Region. Your kindness and support means so much to us. May the Lord blessings be upon you and we love and appreciate you all.
