I have been working diligently on completing my certification to teach English as a second language since December 2025. I completed the online course consisting of 150 hours of study March 16, 2026! The plan is to teach English to those of the church in Senegal who would like to expand their knowledge of the language and also offering 1 on 1 lessons to other nationals interested in learning general English as a second language as an outreach tool.

I will begin compiling lesson plans through the next few months, as time permits, in preparation of upcoming classes.

There continues to be 29 people from Senegal who have completed the Wallet Bible study of the plan of Salvation and are now well into the EXPLORING GOD'S WORD BIBLE STUDY. A quote from one of the students, "Amen! Thank you for this inspiring lesson today, Mom. The story of Enoch is so powerful the idea of 'walking with God' and pleasing Him so much is a beautiful goal for all of us. I also love how Seth's birth brought a new beginning for people to call upon the Lord. I am learning so much. Have a wonderful and blessed Wednesday! 🙏🌟"

I continue to work on speaking French every day, along with study of the Wolof language which is the cultural language of Dakar. Many speak both French and Wolof, but on the street when meeting people through evangelism, Wolof is the primary language. If you can speak Wolof you are more readily received in many neighborhoods. Please help evangelism move forward in Senegal.

🙏 PRAYER 🙏

## PRAYER POINTS:

---

1. For God's will to be done, His kingdom come in Senegal as it is in heaven.

2. For Bro. and Sis. Sully as they return for deputation for safe travels and generous churches as they raise funds for financial needs in the growth of the church in Senegal. Also pray for the Pierre Kouogam family as they step in to help in Senegal while the Sully's are away.

3. For the leadership in the church to be given wisdom, anointing, and a commitment to truth and the Apostolic doctrine of Jesus Christ.

4. For God to add to the church as many as should be saved. To rain down upon the seed sown that He would bring the increase and provide laborers to help in training and bringing in the sheaves.

5. For my preparations to return, for God's will in procuring the employment God wants for me here, for wisdom, favor, grace, and help in walking by faith toward the prize of the high calling of Jesus Christ my Lord and Savior, that I would be made ready for whatever is to come. His will, not mine!
