RECAP OF THE PAST FEW MONTHS

December, January, and February were full of adventure! We started in Mauritius the first half of December, and then travelled back to the States to be with family for the holidays. Amiyah made and met many new friends. January and February we travelled to raise funds at various churches and arrived back on the field March 1st. We are so excited to be home, in Mauritius, and to see all that the Lord will do.

PRAYER REQUESTS

- Building permits for our expansion of the Bible school to be processed quickly and effectively and we will receive a reasonable quote for the construction
- Processing of our new visas
- That the Lord will give us the skillset and open doors to reach the Hindu people here in Mauritius

DECEMBER 2025 - MAURITIUS

PREACHING POINT BELLE ROSE

This month we opened another preaching point on the Island of Mauritius! Praise God! We have been prayer walking this area lately and God opened a door for services to begin! John preached at the first service about a man named Jesus and how you can get to know him and allow Him to move in your life. We thank God for every visitor and life that will continue to be blessed throughout this work

LADIES MEETING

Lexi preached at our ladies meeting this month about the lies the enemy tries to speak into your lives and gave scriptures for how to overcome these lies. We had a powerful move of God!

KIDS SERVICE TERRE ROUGE

On our last Sunday, we had a wonderful move of the Lord at our kids service in Terre Rouge! Praising God for kids who are learning more about the word of God and living for him!

We said some hard “see you later” to our beautiful community in Mauritius as we travelled home for the holidays and to raise some funds! On the other hand, we had some incredible “nice to meet you” with our family in America who hadn’t had the chance to meet our sweet girl yet

JANUARY/FEBRUARY

FLORIDA DEPUTATION

We were blessed to do some deputation time in our home state of Florida! And to have some wonderful services sharing our burden for Mauritius in Texas as well!

BOTT 26

We had the opportunity to attend Because of the Times! It was a wonderful outpouring of the spirit, and time of refreshing for our family! Amiyah made many new friends and was so excited to meet some people who have loved her since before she was born

TEXAS

After BOTT, we spent a month traveling Texas. We, first, were part of a missions conference in Humble and then the Lord opened doors for us to have services through the north of Texas. As we shared our burden for Mauritius, at the missions conference, and every deputation service, the Lord continued to deepen our burden for Mauritius, and the Hindu people who live on our little island. Each time I watched our video and saw the Hindu ceremonies, I felt a deeper burden to reach these souls, and a deeper questioning of if I don't reach them, who will? And now we return to the field, with a greater burden, love and determination to see the Lord's will in our island!
