

✦ February Newsletter

February 2026 was PACKED!

This year has already seen such exciting things happening in the

Mediterranean! Of course, the world needs a lot of prayer, but

God is still greater, and His Spirit is still moving!

I was privileged to spend a week in Malta! Such a vibrant church and beautiful island. I was able to minister at the Midweek service, join the music team for the Sunday service, and of course take in the beautiful sea views!

In Athens, we held our first National Conference! We witnessed baptisms in Jesus name, people filled with the Holy Ghost, and numerous first time visitors.

✦ *Thank You!*

We hosted a Ladies' Night, had a weekend with special guests, Bro. and Sis Slaydon, and continued preparations for the upcoming Youth Conference.

Thank you for praying, for supporting, for being a part of what God is doing across the globe!

Serving until He returns...
Jera
