March has been a month filled with connections, and we are so thankful for the opportunities God is placing before us. Many of these relationships are still in the early stages of building trust, but we are encouraged to see them growing stronger and beginning to show fruit.

We have also started teaching Sunday School each week to our most faithful member—Joelle! She loves it and now spends the week playing “Sunday school teacher,” sharing what she’s learned. We are so thankful for this opportunity.

Jen was also able to attend the Scottish District Ladies' Day in Falkirk. Each church across Scotland was represented, and it was a day filled with encouragement, connection, and fun.

We also had the opportunity to spend time on the west side of Scotland, praying in two target cities for the Scottish District. We are expectant for what God is going to do and are grateful for the opportunity to walk the streets, praying for doors to open and for steps to be ordered so that the name of Jesus will be called upon in these cities.
