5 Baptized in Tacuarembó

I was blessed to visit the church in Tacuarembó in March. This was the first of many ministry trips we plan to make to the country's churches outside of the capital. Our vision for 2026 is to visit every United Pentecostal church in Uruguay. These trips will serve to support the local pastors, equip and encourage the local saints, and create more unity across the national church body.

On Saturday, we supported the pastor in teaching the congregation about cell groups. His vision is that the church will advance in Tacuarembó through small group Bible studies in homes throughout the city.

Before service Sunday night, we gathered at a local lake to baptize 5 people in the name of Jesus Christ. One of those who were baptized had refused to even come to a church service for over 30 years. We are so thankful for the work God has done in his life!

GATS South America

This March, I was also able to attend a GATS training seminar for Bible institute professors in Argentina. I was grateful to learn from great missionaries and pastors since I recently began teaching my 1st class in the UPC Bible Institute of Uruguay.

While in Argentina, I was invited to preach at a local church where the Lord moved in a great way. That particular day happened to be my birthday, which I did not share with anyone. But the local church somehow found out and threw me an impromptu birthday party! It was a great memory that I won't soon forget!
