

# THE NETHERLANDS

## FEBRUARY & MARCH

February and March have been filled with so many meaningful moments. My heart is full of gratitude for the opportunity to serve alongside such incredible leaders in this country teaching, preaching, and reaching souls each day. God has truly been moving in The Hague, and I genuinely believe He is going to do something great in this city. There is a growing sense of expectation, and it's exciting to be part of what He is doing here.

I feel especially blessed by the ministry of missionaries Allan and Carla Calhoun. They have truly welcomed me in, poured into my life, and treated me like family. Their love, guidance, and example have made a lasting impact on me. As they have returned to North America for deputation, I am keeping them in my prayers that every need is met and that the necessary support comes in quickly.

I am believing they will be able to return soon and continue the important work God has called them to here. I also want to say a heartfelt thank you to everyone who continues to support me. It is because of your generosity, prayers, and encouragement that the work here is moving forward. I am deeply grateful for each and every one of you.

### ***Prayer Request***

- **Pray for my visa process, which is still underway. We are getting closer to completion, and I'm believing for favor and a smooth finish.**

- **Please pray that God will use me to reach a Spanish-speaking family I recently met in a café. We are planning to have dinner together and pray that this would be a meaningful connection and an open door for ministry.**

**Pray for Freedom Church as we search for a new building. Due to our growth, we are in urgent need of a larger space, and we are trusting God to provide the right place at the right time.**

# Ministry Highlights

- I had the opportunity to help with an evangelism booth in Dordrecht, reaching out and connecting with people in the community.

- In March, we relaunched our city groups in Dordrecht. A huge thank you to the Lopez 's and my pastor, Pastor Carrisalez from the Tabernacle of Sanger, for their guidance as we stepped into a new format. We held a seminar during the relaunch, and I had the privilege of helping teach.

- We've been encouraged to see steady growth in Freedom Church, with an average attendance of around 30. We are actively praying and seeking a new location that will allow us to continue growing and reaching more people.

- In March, Freedom Church hosted our first worship concert of the year, and it was our largest attendance so far this year, such an exciting and impactful service!

- We also had our National General Conference here in The Netherlands. It was a powerful time, with four ministers receiving their general license. The conference was preached by Bro. Harrod, who did an incredible job ministering.

- I had the opportunity to attend Rotary in The Hague, where I met people who genuinely care for and are invested in the city. It was a blessing to connect with others who love and support The Hague.
