### Weekend in Greece

I had the opportunity to attend Ignite 2026 which is a youth conference in Greece! I got to see familiar faces and the previous missionaries I worked with!

### Sunday school

Teaching Sunday school has been a blast! The kids learned so much and I got to learn so much about them during my time in Malta.

## Farewell Malta

These past 3 months have been incredible! It's been such a Blessing and honor to have had the opportunity to serve in the country of Malta! I thank God for all that he has done and will continue to do at Christian Life Center.
