

MARCH 2026

March has been full of growth. I was able to attend the ministers wives prayer and fasting. I was inspired by such amazing and talented women of God. Sister Eugenia shared words of wisdom as the pioneer of the team. We were able to celebrate sister lily's birthday! I feel beyond blessed to be able to fellowship and have an insight on the lives of the wives of the ministers of Belize district. Every word impacts my life and helped me grow spiritually. These words of wisdom will stay with me and will be passed down to my children. These ladies have welcomed me and gave me a true belizian UPCI welcome.

# BELIZE

There's nothing that fills my heart then to be able to teach and minister to my church's Sunday school class. We celebrated two children's birthdays. Just to be able to be part of this, it's a blessing !!

It was a privilege to meet Dr. Childs, Bro. Steele, and Bro. Gilmore. Their wisdom was beyond word. The testimonies and words of faith were amazing. We had multiple miracles take place. Including Pastor Danny Becerra being healed from some pain he had been having in his back. The brothers shared testimonies and we were able to have fellowship and learn more about these great men of God that have been serving the lord for many years. It was inspiring and impactful.

I had the opportunity to Preach the last Sunday of the month at Centro Vida with Pastor Guillermo. It was my first time teaching in Spanish. I can say thanks to The Becerras guidance I have grown in many areas of my ministry, to the point of being able to teach fluently without fear in Spanish. Each day I am learning more and more about God's will for my life. Life isn't always going to be easy but like Sis. Becerra always says, God is so good!
