April Newsletter 2026

Dear Friends and Family,

Greetings in the precious name of Jesus! We pray this letter finds you blessed, encouraged, and strengthened in His presence as we reflect on the month of March. This past month was marked by powerful times of ministry.

We were honored to be with Community Praise Tabernacle in Riverbank, California. The service was truly impactful, and we felt the tangible presence of God moving among His people. Our hearts were especially touched by the love shown to our children. The Pastor's children prepared a special basket filled with our son and daughter's favorite snacks—a simple yet deeply meaningful expression of kindness that blessed our family tremendously.

We also had the privilege of ministering at a men's event hosted by Lighthouse of the Valley Church. Men gathered from various cities across Northern California, united with a hunger for God. It was a powerful time of encouragement, strengthening, and renewal as we witnessed lives being touched and hearts stirred.

In addition, my wife and I ministered together at Acts Revival Center in Ceres, California. What a powerful move of God we experienced there! The atmosphere was filled with faith and expectation, and we saw God minister to many in a special way. Moments like these remind us of the incredible privilege it is to serve in His Kingdom.

On the missions front, we are excited to share that we have officially begun the process for our visas for Brazil. Our FBI fingerprinting has been completed, and all necessary paperwork has been sent to Washington, D.C. for apostille. This is a major step forward as we prepare for our next term. We are trusting God for a smooth and timely process.

We are also thrilled to report that the same home we previously lived in Brazil has become available—and we were able to secure it! This has been a huge blessing for our family. Our children are especially excited to return to a familiar place where they have friendships and a sense of community already established. We truly see God's hand in every detail of this provision.

As we look ahead, we are preparing to return to Brazil in the first week of June. We humbly ask that you keep us in your prayers, especially regarding our transportation needs once we arrive. We are believing God to provide a vehicle for our family. During our last term, we had to rent a car for the year, which proved to be significantly more expensive. This time, we are trusting the Lord to make a way for a more sustainable solution.

We remain committed to the call God has placed on our lives to serve in Brazil. Your prayers, encouragement, and support help make this mission possible. Thank you for standing with us in faith!

With love and gratitude,

THE GAYLES
