Our First Month Back In Barcelona

It's hard to believe we are already wrapping up our first full month back in Barcelona! We are so grateful for how smoothly things have come together as we've settled back into life and ministry here.

One of the biggest answers to prayer this month was finding a long-term apartment in just 7 days! If you remember from last year, that process took us over 7 weeks, so we are truly thankful for how quickly the Lord provided.

We have also jumped back into language school to continue our Spanish learning journey. It is such an important part of connecting with the people around us, and we are excited to keep growing. Speaking of Spanish, Britain had the opportunity to give the lesson at one of the local life groups entirely in Spanish, which was a stretching and rewarding experience!

On the ministry front, Britain has preached two services since returning, and Valerie preached one as well. It has been a joy to be back in the rhythm of serving alongside the team here. Britain is also helping with the online development of Ministry Central Europe, a new video platform dedicated to the training and licensing of ministers across the Europe region.

To close out the month, we traveled to Cascais and Lisbon, Portugal for the Mediterranean Area Training and Fellowship. It was a wonderful time of connection and encouragement with fellow missionaries from across the Mediterranean region, including Brother and Sister Doughty from Mattoon, IL, and the Harrods, who serve as Regional Directors of Europe. We are grateful for every one of you who prays for and supports this work. More updates to come soon!
