

New Zealand Newsletter

MARCH 2026

Greetings from the Uttermost,

I pray this newsletter finds you well! March and the first part of April have passed quickly, leaving me with just about a month left on the field. I'm thankful for everything that the Lord has done in NZ, for all He has done for me, and for every lesson He has taught me. I look forward to all that will be accomplished during my remaining time.

Although it feels like we just began, the MKs have already completed their 1st quarter of school. From math assignments, language papers, science experiments, and so much more, we have been busy learning and having fun (mostly).

Our children and youth at ALC continue to grow in their knowledge of the Word and applying the biblical principles to their daily lives. We had a Bible Quiz intro meeting to discuss the rules and learn the types of questions. May 3rd will be their first official quiz. On Easter, we gathered for a service in the park to celebrate the resurrection of our Saviour!

The national Bible College has begun a new school year and we are praying over every student and course. In regards to administrative tasks, there are plenty of decisions to make, details to discuss, emails to send/phone calls to make when planning for events. All of these tasks keep me busy throughout the month.

I was also able to travel for a few days with Sis. Kathy before she returned to the States. Getting to see new places in New Zealand was a privilege and highlight in my month. The Lord makes such beautiful things!
