

ALICA & BAPTISTE IN PARIS

NEW BUILDING. NEW SEASON

PCC is so thankful to officially be in our new facility! It marks a new season for us. During the first service the room was filled with so much joy and genuine excitement for everything God has done and is doing. We had many guest and the very first baptism that could be performed and celebrated with the entire church family.

I LOVE MY CHURCH WEEKEND

I Love My Church weekend is always such a powerful time at PCC. This year, it began with an afternoon of teaching where we explored spiritual gifts and discovered how uniquely each of us is wired and how, when we come together in unity, it strengthens the whole church. On Sunday, we were blessed by the ministry of Michael Ensey and his family, which made the weekend even more meaningful and impactful.
