

AMP BANGLADESH

Bible School

Classes have continued to take place in our Bible School. In March, 12 students were baptized in Jesus name, 4 received the Holy Ghost, and 1 was healed! We praise God for this great report!

Sreepur Church Dedication

One of our UPCB home churches in Dhaka has been growing rapidly and recently began renting a building to have services in. During the church dedication, 11 received the Holy Ghost and 3 received healing! We also anointed and prayed over the newly installed pastor.

I also met a precious little muslim girl from the neighborhood (on the right in pink) who randomly popped into the dedication service. For some reason, we clicked and she didn't leave my side the rest of the day. She even took me to meet several people in the community. The following week, she brought 4 other muslim girls to the service with her (shown in the picture). Since then, more and more kids have been coming. The following week after that, they had 31 kids in service!

Prayer Requests

- Opportunities to spread the gospel in new districts.
- The revelation of the name of Jesus Christ to be made known across Bangladesh.
- That the decrease in availability of fuel would not hinder our ability to travel to teach in the Bible School, preach in various locations, and teach home Bible studies.
