BIENVENUE!

To start off March, we arrived back to the field on the 1st. We were happily welcomed back by our supervisors, local pastors, and friends. We had a little bit of downtime before getting back into the flow of the island.

BIBLE CONFERENCE

- March 6-8th we had our annual Bible Conference with the theme, “My people who are called by My name.” A time of renewal, refreshing, and rededication back to the One who has called us out of the darkness and into His marvelous light. We rejoice in the report of 12 souls baptized and 12 receive the gift of the Holy Ghost

POSTE DE FLACQ

In the new year, we have began twice a month services in our preaching point in Flacq district. An area in the Northeast side of Mauritius that is in need of a church. We had a great turnout at the services this month. Please pray with us as we search for a building to start having services more often, and that God would anoint a new pastor to step into this burden to reach the people of Flacq.

MEN'S OUTING

The men enjoyed a day of fellowship as we went to the north of the island to spend time with one another. It was a great time for John to reconnect with the brothers of the church and have some fun with the youth!

CRUSADE IN VACOAS

This month we had an evangelistic crusade within the city of Vacoas. To prepare, we prayer walked the communities surrounding the church, handed out tracts and invited people to our services, and then had two days of services. We had a handful of guests show up and feel the presence and love of God! We know that God is still working in this area of Mauritius and greater things are yet to come!

PALM SUNDAY

Altar call on Palm Sunday

Although Mauritians don't typically celebrate Palm Sunday, we still had a great time in the presence of God!

John preached about expectations - shifting ours to be aligned with God's will and expecting greater things can be done through God and not just on our own! Many lives were touched and we believe that God is placing a fresh fire upon His church!

In other news, Amiyah has turned six months old!! She loves to play, eat food (particularly her dad's), lick the condensation off your cups, and to talk! She is a bundle of joy and a light to everyone that meets her!
