

Rwanda / Uganda

The month of March has been full of transitioning, unexpectedly wrapping up my time in Rwanda and stepping through a new door here in Uganda. Through it all, God’s grace and peace have kept me, and I am grateful for this new opportunity. I’m able to continue this kingdom work because of your faithful prayers and financial support. Thank you.

Wrapping up in Rwanda

During my final service in Rwanda, Zaine received the Holy Ghost. We had been having Bible study together for about 9 months, and during that time, she made the powerful decision to pray and ask Jesus to reveal Himself in her life.

AMPer Danilla and I were also honored by UPCR during our last service. It was such a blessing to serve alongside the body of Christ in Rwanda.

NEWSFLASH
The Global Missions Board approved my application for a General License with UPCI!

Before leaving, I was able to meet with a few families, several mentees, and friends, sharing “see you later” moments of prayer and fellowship.

Thankful for the spiritual seeds that were planted while in Rwanda, I’m trusting God to continue the work that He started in each life.

Welcome to Uganda

I've been warmly welcomed to Uganda by Missionaries Steve and Yvette Phelps, and I'm so thankful to be partnering with them.

I had the opportunity to connect with the church family at New Life Apostolic Church. I rejoice with three who were baptized and two who received the Holy Ghost this month!

This season brings a new focus: supporting Apostolic Bible College through teaching and faculty development. I'm also working with Sis. Phelps to format GATS course materials so they can be more easily used in Bible schools across Africa.

I recently met Pherie, a friend connected to Rwanda, and we spent a few hours talking over tea. Our conversation naturally turned to the goodness of God, and I'm looking forward to building this friendship.

Prayer Request

Please pray with me for:

- Growth and development for faculty and Year 1 & 2 students at Apostolic Bible College this coming term
- Wisdom and favor, as ABC is restructured and a new Bible school begins in Kampala
- Greater revelation and obedience to the Gospel across Uganda and Rwanda
- Wisdom, understanding, and favor for disciple-makers, believing for acceleration and multiplication.
