John 4:35 Say not ye, There are yet four months, and [then] cometh harvest? behold, I say unto you, Lift up your eyes, and look on the fields; for they are white already to harvest.

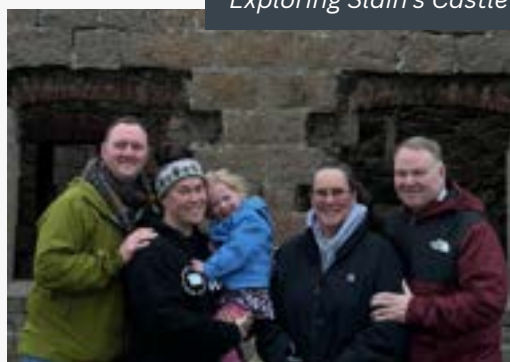

April was a full month as God continued to open new doors for connection. We were invited to an Easter lunch with our neighbors, which was a wonderful time of fellowship and fun. We were also blessed to have the Albertsons (Jen's parents, Geof and Terri) with us for nearly three weeks.

During their time here, nearly every day God opened a door for connection. We attended the birthday party of a young boy whose parents we had met at a bus stop—it truly was a celebration of celebrations! At the end of the party, we were asked to pray for the boy and his family, and there was such an openness to having God in the center of that room. The Albertsons were also able to pray with others who began sharing their need for miracles. Jen connected with another woman facing a difficult family situation, and she has since asked to meet again.

Geof and Terri also met a young woman from Bangladesh at St. Machar's Cathedral who was intrigued by the stories of miracles he shared. She later came to our home to cook a meal for us, and we have since scheduled to meet with her again. We were also able to pray with a woman seeking strength to forgive and for deliverance from emotional pain. After we prayed together, she shared that it felt as though something had been lifted from her.

Jen continues to build consistent relationships with three other women and their children, who are gradually opening up more. Jeremiah is also continuing to connect with many at the Aberdeen Chess Club and a connection at a local coffee shop.

We were also blessed, along with the Albertsons, to attend the Scotland District Leadership Prayer Meeting in Falkirk, a church service in Elgin, and Jeremiah and Geof attended the Men's Breakfast in Edinburgh.

Beautiful Day with the Elgin Church

Please pray with us as we continue reaching out—that these connections would deepen and that there would be a growing hunger for God's Word and a willingness to commit to Bible study. **We truly believe that in this season of open doors, there is a harvest ahead, and we are expectant for all that God is going to do.**

Fun Fact: Temperatures as high as 68 degrees Fahrenheit are making breaking news head lines for heat advisories. Aberdeen saw 64F on April 8th.
