

# APRIL

## NEWSLETTER

April was a month full of teaching!

We have both been blessed to teach a class at the Bible school this semester. Micah has taught "The Tabernacle" and Renee has taught "Major World Religions". Both classes have gone well and seemed to be fruitful.

We are extremely excited to start teaching a new class this week, Ministerial Ethics. This is extra special because we will be co-teaching! We have never taught a class together before and are very excited for the opportunity. Much preparation has already been done and we are excited to update you next month on how the class went. May is our last month here, we want to make it count!

## Sunday Services

April had lots of special events going on, from Easter to baby dedications to giving services.

On Easter, all the missionaries here were able to be together in service. There was a powerful move of God and we were given some African red rice and pima for lunch. It was a great day!

During the giving service, the people in the church we were with gave over \$600! It was so awesome to see their willingness to sacrifice for God's Kingdom.

Micah was able to teach Sunday School one day this month. He taught on standing firm in the truth no matter what anyone says. The Word of God is unchanging and we must not accept anything contrary to it.

### Prayer Points:
