Evangelism Focus

This month, we have placed a strong emphasis on evangelism, intentionally going beyond the walls of the church to reach people in our community.

During the week, we dedicated time to going out into the streets, speaking with individuals, and personally inviting them to church. We also visited the local mall, where we connected with new people, shared the message of hope, and invited them to join us for Sunday service. We were able to take a photo with some of those we met as a reminder of the connections made and seeds planted.

Additionally, we traveled to the nearby town of Tandragee, where we teach openly in the city. While there, we also conducted a prayer walk, covering the streets in prayer and seeking God's presence over the area. This was a powerful time of spiritual outreach, and we captured meaningful moments of people praying together in the streets.

As the week progressed, we prepared our hearts and ministry for Sunday, especially in anticipation of the AIM UKI team joining us. Their support has been a great encouragement as we continue the work of reaching souls.

We are also praying for God to open doors in the city of Omagh, where there is a large Filipino community. We have already made a connection with one family, and we are believing that this is just the beginning of what God desires to do in that area.

This month has been a reminder that the mission is not confined to a building—God is moving in the streets, in public places, and in every conversation. We are thankful for every opportunity to share the gospel and believe that the seeds planted will bring a harvest in due time.

As we reflect on all that has taken place this month, we are reminded that the work of the Lord is both a privilege and a responsibility. Every conversation, every invitation, every prayer in the street is a seed planted in faith. While we may not see immediate results in every moment, we trust fully in the timing and promise of God.

There are days when the labor feels heavy and the results seem few, but we are encouraged by the assurance that God is faithful to His Word. The seeds sown in tears, obedience, and persistence will not be in vain. The connections made, including those in Omagh and throughout our outreach efforts, are all part of a greater work that God is unfolding before us.

We remain committed to reaching souls, serving our community, and following the leading of the Holy Ghost wherever He sends us. Your prayers and support mean more than words can express, and we are grateful to be laboring together in His harvest.

“And let us not be weary in well doing: for in due season we shall reap, if we faint not.” — Galatians 6:9 (KJV)

With gratitude and faith,

It is truly a pleasure to serve,
