

BARCELONA, SPAIN

ARRIVAL & SETTLING IN

It's official! I arrived in Barcelona, Spain just over one month ago on March 24th. It has been a great blessing to begin connecting with the local churches, missionaries, and people throughout the city. During my time here I'll be attending church services at the International Church of Barcelona and assisting the ministry there. I will also be staying in dorms provided through the R.K.R. Missions Training Center in Barcelona.

SERVICES & FELLOWSHIP

I was honored to participate in communion during our Good Friday Watch Night Service and to celebrate the Resurrection during Easter Sunday services. The following weekend I had the privilege of preaching at the 1 pm bilingual service and then the next weekend at the 4 pm Tagalog service. We rejoice for one baptized in the mighty name of Jesus for the remission of sins and for others that received the precious gift of the Holy Ghost this past month!

LANGUAGE SCHOOL

At the beginning of April I began attending a Spanish language school in the heart of Barcelona's Old Town, where I will continue studying until I leave in September. I have been blessed with an amazing teacher and classmates from countries all around Europe, the Middle East, and Africa. The school is a diverse environment filled with many cultures and backgrounds, and I am praying for continued opportunities to build relationships and be a witness.

LIFE GROUPS

Another meaningful part of my time in Barcelona has been the opportunity to visit and teach in several life groups. Aside from scheduled church service days, they meet every day across the city, both in person and online. Many who attend these groups do not regularly attend church services, meaning these life groups are a vital connection point and lifeline for many people.

PRAYER POINTS

- That God will open the spiritual eyes and ears of the people of Barcelona.
- That our life groups will be a spiritual harbor and foster continued spiritual growth for our new converts and saints alike.
- For my language learning so I can make better connections at language school and throughout the city.

“Now unto him that is able to do exceeding abundantly above all that we ask or think...” -Ephesians 3:20
