Easter

April was a month full of newness, but it all began with remembering the resurrection.

For Easter, we had an egg hunt for the children in the morning, an Easter lunch with the entire congregation and a few following churches, and finished with a Resurrection Sunday night service.

We baptized one lovely lady in the name of Jesus Christ on Easter Sunday! She is pictured here [below] in the bottom right-hand corner. A beautiful soul inside and out.

Bible Quizzing!

As a former bible quizzier, Bible Quizzing is near and dear to my heart. I was thrilled to be a part of the project of beginning a quiz program at IPUB Mairinque!

We selected 100 verses from the 2026 *Ready. Always.* Senior Bible Quizzing material, and decided to have the season begin in April and conclude at the end of July.

So far, we have completed 3 practices, and the kids are doing amazing! We have learned three question types, and the basic rules of the game. As we continue, our goal is to slowly teach the rules (and translate the lingo!) to share this ministry.

Bible Study: em Português

The woman pictured here is Marcia. Due to some health issues, we have been meeting with her once a week on Thursdays to bring the word to her!

She has been very patient with my Portuguese and has also been helping me practice the language while meeting with her.

Her granddaughter was dedicated to the Lord about two weeks ago in the church! I've met with her and her daughter a couple times, and even shared a classic Tex-Mex meal with them!

We're believing God can not only draw them closer, but heal her in Jesus' name!

English Class

In addition to weekly Bible Quizzing practices, we have re-started a weekly English class every Saturday! We have had about 3 sessions so far with around 10 students. We're excited to see how far everyone comes along!

Pictured above is a witchcraft offering that we tore down, anointed with oil, and prayed over. In Jesus' name, Mairinque belongs to the Lord!

Second week of quiz practice. Our first time pulling out the buzzer system!

Praise Report

God has recently opened a door to minister to a new family that has begun attending the church here. Since I have arrived, we were able to meet with their mother, pictured above!

We've attended two home services at the mother's house, and one bible study. After these, she decided to be baptized in the name of Jesus Christ! When she came up out of the water, she began to dance, something she had not physically been able to do prior! It was a beautiful moment.

She has opened her home for services, and we had 24 people in attendance for one, where I received the gift of the Holy Ghost! Excited to see how God continues to open doors in São Roque!
