Greetings in the wonderful name of Jesus!

As we reflect on the month of April, our hearts are filled with gratitude for the faithfulness of God and for each of you who continue to pray, give, and stand with us as we prepare for the mission field of Brazil. Every mile traveled and every service attended reminded us again that God is opening doors and aligning His perfect will for this journey.

Throughout the month, we had the privilege of traveling across the United Pentecostal Church Western District, ministering and sharing the burden for Brazil in churches throughout California in: Fresno, Corcoran, Bakersfield, Exeter, Sanger, and McFarland. We are continually humbled by the kindness, hospitality, and support shown by God's people everywhere we go.

One of the highlights of the month was attending the Western District Youth Convention, where we were blessed to host a Foreign Missions Booth. It was encouraging to speak with so many young people who have a heart for revival around the world. We were also given a special opportunity during the convention to briefly share our burden for the nation of Brazil.

We are especially thankful that the youth of the Western District gave sacrificially through Move the Mission and contributed \$2,000 toward our missions' budget. We deeply appreciate every young person, youth leader, and church that believes in the mission of spreading the Gospel to the nations.

The love of God continues to compel us forward. Jesus commanded in Mark 16:15, *"Go ye into all the world, and preach the gospel to every creature."* This mission is greater than any one individual—it is the heartbeat of God. We remain committed to faithfully following His direction and staying consistent in His calling, trusting that He will complete the work He has begun.

Brazil is hungry for truth, and we believe God is preparing hearts even now. Your partnership is helping make it possible for lives to be transformed by the power of the Gospel.

Please continue praying with us for:

- Open doors and divine appointments
- Financial provision to purchase a vehicle to help with our daily traveling in Brazil
- Strength and safety as we travel and prepare to go back to Brasilia
- Unity and revival throughout Brasilia and the country of Brazil

Thank you for investing in souls and helping carry the Gospel beyond borders. We could not do this without you.

With love and gratitude,

THE GAYLES
