## ACHOMA, Peru

### 50 year anniversary services

We spent 3+ hours winding up the mountain roads to arrive in Achoma for their 50 anniversary services. We preached, we sang, we ate llama and we listened to the beautiful stories and history of the Pentecostals of Achoma, Peru. The spirit of the Lord moved in the services and it was a beautiful time with our brothers and sisters up in the mountains.

Brad preaching and Lorinda interpreting

One of the sweet sisters of Achoma posed for a picture with us!

Eating with the ministers and their families

# At the Home Front

In Arequipa, we are filled up with the work of the ministry. We are teaching, preaching, and working with the music daily. In the picture to the right, we are praying with a teenager who was badly beaten the day before. Her nose was bleeding as an after effect throughout the service but she did not want to stop praying. She enjoyed the presence of the most amazing Comforter that day.

## AREQUIPA

Ariana is working with the main music, youth music, and preparing to play for a Peruvian wedding!

Brad and Lorinda started teaching at the local Bible School a few weeks ago. The interaction with the students has been an incredible experience!

We've started a new piano class at the central church. We have 17 students signed up for the class. We had our first class on Thursday!

Yes, Ashton and Easton are alive, well, living their best life, doing school work, memorizing scripture, riding skateboards, shooting baskets, and attending an abundance of church services weekly.

### Praise Reports and Prayer Requests:

We are so thankful for the love of God and how He cares for us. Our eldest son, Tryston, who is at IBC, had a situation arise where his living situation for the summer fell through. We were praying daily that God would work the situation out and He provided for Tryston just in the nick of time! We could write of many situations this month, where God has answered our prayers. We are so grateful for what God is doing in us and in the country of Peru.

Personally, we are still waiting for our FBI results to make it to us for immigration. Please pray that this package lands safely in our hands soon!

For the country of Peru, pray for Unity in the church. Pray for the Bible School students, who are the future of the church here in Peru. Pray for the cell group that started in Miraflores, that the Lord would bless and bring more souls into the harvest. Pray for Pentecost Every Day in the country of Peru!
