## BAPTISM ON EASTER

Bro. Hajduk allowed us the privilege of baptising our friend on Easter Sunday. She started coming to church almost two years ago and has been growing in the Lord day-by-day and month-by-month. We are truly excited about how far she has come since we first met and we are trusting the Lord to direct her steps as she continues to learn and grow. To help her in her journey, we are starting a "Bible Book Club" to explore the importance of reading God's Word and digging into the meaning behind it.

## WORKING WITH A TEAM

We are truly blessed to have Sis. Claudia with us for our first few months here. Having a team, even one of just three people, truly makes a difference and helps open doors for new ideas and new possibilities.

In lieu of an English Club, we have decided to take a different approach this trip. We think small groups based around an activity/hobby hosted at the church might be the best way to make connections and lessen the fear people associate with the church building. Our first small group will be a Crafting Circle, where people can bring their favorite craft and chat over coffee while their hands are busy. We are hoping this opens doors for conversations and allows us to build trust with people we may not have met otherwise.

## SUPPORT THROUGH PRAYER

Please pray for the team here as we work to be a light in this city. Please pray for God to guide our steps and lead us to hungry souls. And please pray for liberty in the spirit for those who want to take a step of faith toward the Truth.
