

# PIO'S IN THE PACIFIC

April 2026

Associate Missionaries (AMP)

Several Baptisms in Jesus' Name of churches we visited in April!

Several receiving the Holy Ghost!

Greetings in Jesus' Name!

It was wonderful to celebrate Easter here in Fiji this year. We were able to catch up with our Regional Director, Bro Wickett during his recent visit here.

We also thank the Lord for the outreach that we have been doing. God is opening doors and opportunities for Bible Studies. We serve an awesome God!

Thank you once again for all the prayers and support, as we continue to teach and train these students, as they prepare to dedicate their lives for the ministry. May the Lord bless you all.

The Pio's in Fiji

It's a privilege and an honor to preach in the churches in the local area and seeing the Lord transforming people's lives!
